Upgrade to SuperCast

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

Key Features

- Intensive reinforced finish
- Strong hard wearing bath with great insulation keeping the water hotter for longer
- To upgrade to SuperCast select from the options box below

Upgrades

If you would like to add a luxurious 10 jet spa system to this bath you can do so by selecting it from the options box below.

An Air spa system consists of Air Jets fitted on the floor of the bath, controlled with a separate on/off button.

This provides an interesting addition to the traditional side jets. An Air spa can be a luxury accompaniment to your whirlpool bath enhancing your hydrotherapy experience.

Any of our lighting systems can be fitted to this bath, simply add your lighting system to your shopping basket at the checkout and the light will be fitted to your bath before delivery.
