#### Frequently Asked Questions

**What is the difference between this light and the Mood Lighting system that you sell?** The Mood Lighting is our premier lighting system and includes 10 individual chromotherapy lights and a separate On/Off control.

**What bath can the fade chromotherapy light be fitted to?** The fade chromotherapy light can be fitted to any bath in our store. Select your bath and add it to the basket, then add the fade chromo to your basket. The light will be fitted to your bath before delivery.

**\*Please note, we are currently running a number of promotions which include a free Fade Chromotherapy light with the following brands:-Carron, Aquaestil,Aquamaxx,Bodyzone,Oriental and other selected baths in our store. You do not need to add this light to your basket, we automatically add it to your order when we process it.**
