11. The Oriental is also suitable to use as a shower base / tray making it the ideal solution if space is at a premium.

SuperCast Finish

A key feature of the Oriental is a unique SuperCast finish to the underside of the bath, this finishing layer creates a super strong shell which helps to keep the water warmer for longer. The SuperCast finish is included in the price as standard.

Multi Mood Lighting

The On/Off controller allows you to change the colour to Red, Orange, Yellow, Green, Blue, Indigo and Violet, there is also a multi mood changing option that cycles through all the colours bathing you in a sea of harmonious colours, gently fading from one to another.

Optional Upgrades

Each Oriental bath is hand crafted to order, if you require extra jets, less jets, electronic upgrades please contact us for a quote.

Warranty

25 Year Shell
