#### **Bath & System Specification**

In these days when components are made all over the world and of uncertain quality, we have a policy of only purchasing pumps and components manufactured in Britain.

These are sourced exclusively from Spatec, the biggest UK manufacturer who have been manufacturing in the UK for 25 years. All products conform to the latest regulations British Standards, TUV and CE. In our 19 years of manufacturing whirlpool baths we like the ease and comfort of talking to a British supplier who is on hand readily in the unlikely event of a problem. A team of UK based engineers are on hand if required.

- 1700 x 750 x 550 MM - 25 Year Shell Warranty
- Powerful 0.75 HP Self draining pump
- Powerful Chrome Body Jets
- Optional Spa Systems

#### **Bath Upgrades**

If you would like to upgrade your bath with extra jets, lighting or shell reinforcement check out the related items below. All baths are manufactured in the UK in our factory, if don't see what you are looking for please contact us.

#### **Upgrade to SuperCast**

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

### **Key Features of SuperCast**

- Intensive reinforced finish.
- Strong hard wearing bath with great insulation keeping the water hotter for longer.
- To upgrade to SuperCast select from the options box below.

### **Warranty**

25 Year Shell  
10 Year Pipe Work  
1 Year Pump/Blower

### **Delivery**
