Upgrade to Amazonite

All Phoenix bath shells are manufactured to exacting standards and as well as being one of the most unique ranges available. They also offer the added luxury of Amazonite to selected products as an optional extra. The ultimate in strength, rigidity and heat retention, Amazonite offers the discerning customer the very best in bathing luxury.

By increasing the layers of reinforcement applied to Phoenix baths they can enhance thermal properties, maximise rigidity and provide you with a bathing experience that you will want to return to again and again. Originally developed for heavy duty applications, Amazonite has now become the milestone by which bath manufacture is measured and is rapidly becoming one of our most popular options.

UPGRADES

If you would like to add different underwater lighting, add bath panels, taps or extra jets simply add them to your shopping basket. Lighting and extra jets are fitted to your bath and fully tested before delivery.

All whirlpool and spa systems are manufactured at our UK factory, if you would like to discuss a different bespoke system please get in touch.

Taps and bath panels and any other items will be dispatched with your bath.
