Upgrade to SuperCast

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

Key Features

Intensive reinforced finish.

Strong hard wearing bath with great insulation keeping the water hotter for longer.

To upgrade to SuperCast select from the options box above.

UPGRADES

If you would like a different whirlpool system please contact us for a quote, all our whirlpool baths are manufactured by us at our UK factory. Lighting and air spa upgrades are also available, select below, any upgrade will be automatically added to your bath, fully fitted and tested. Any taps, panels, wastes or other accessories will be delivered with your bath.
