#### Calming

#### Lavender Dead Sea Bath Salts for Whirlpool & Jacuzzi Baths - 250g

Lavender has a calming effect relieving stress and tension.

Mud and Salt from the Dead Sea contain numerous mineral nutrients and trace elements and possess the highest concentration of magnesium and potassium of the world's seawater resources. Our body can absorb these substances through the pores with the result of silky smooth and supple skin.

Properties: Developed especially for use in whirlpools and hydro massage baths. Bath salts from the Dead Sea have a purifying and soothing relaxing effect. They are especially beneficial to the skin in cases of psoriasis and eczema.

Ingredients: Dead Sea salts, perfume oils.

Application: For a bath, dissolve 5 tbsp. of bath salts in water at a temperate of 36C – 38C. Duration of bath 15-20 minutes. For external application only. Also suitable as a body scrub.
