Upgrade to SuperCast

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

Key Features

- Intensive reinforced finish
- Strong hard wearing bath with great insulation keeping the water hotter for longer
- To upgrade to SuperCast select from the options box below

Upgrades
