Upgrade to SuperCast

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

Key Features

Intensive reinforced finish.

Strong hard wearing bath with great insulation keeping the water hotter for longer.

To upgrade to SuperCast select from the options box above.

UPGRADES

If you would like to add underwater lighting, taps or extra jets simply add them to your shopping basket. Lighting and extra jets are fitted to your bath and fully tested before delivery.

All whirlpool and spa systems are manufactured at our UK factory, if you would like to discuss a different bespoke system please get in touch.

Taps will be dispatched with your bath.
