All our baths are manufactured in the UK at our factory in Southampton, we have a network of engineers that cover UK in the unlikely event of a problem.

#### Upgrade to SuperCast

What is SuperCast? SuperCast is a substantial coating fitted to the entire underside of your acrylic bath, which provides a cast iron effect with all the benefits of modern warm acrylic. This reinforcement process is designed to increase strength and rigidity which makes your acrylic bath more hard wearing.

#### Key Features

Intensive reinforced finish.

Strong hard wearing bath with great insulation keeping the water hotter for longer.

To upgrade to SuperCast select from the options box above.
