

Fiddlers Elbow Grease

Beard Balm

BRAND NEW PRODUCT - Beard Balm

When looking good and feeling good is important to you, make sure you use only the best of ingredients in your grooming regime. Fiddler's beard balm has been developed and hand crafted to ensure it delivers, first time - every time.

Featuring a nourishing and moisturising combination of shea butter, argon oil, berry wax, avocado oil and vitamin E oil.

Last but not least, it contains our very own coconut extracted, organic hemp, supplying a full range of cannabinoid benefits direct to your hair and skin leaving them glossy, smooth and glowing with wellness.

The subtle yet tantalising aroma contains a blend of Bergamot, Cedar Wood, Sweet Fennel and Bay Laurel.

Fiddler's hemp infused beard balm is the all-in-one solution for all your beard needs.

We're happy to say this product is suitable for vegans as it contains NO beeswax.
