### Konjac Sponges

---

Konjac Sponges - choose single or double packs

This simple and deep cleansing sponge, made from the root of the Asiatic Konjac plant (Konnyaku or Amorphophallus Konjac).

It has been used for over 1,500 years in Asia as an eco-friendly beauty treatment for sensitive skin.

Its jelly soft texture, helps the pH balance of your skin and can be used as an incredibly gentle exfoliator that's safe on virtually all skin types.

Great for applying or removing makeup.
