

Fiddlers Elbow Grease

CBD Vape Eliquid Boost - 1000mg/10ml

Fiddler's high strength e-liquids provide an amazing boost of CBD to your day. Available in 500mg (5%) and 1000mg (10%) versions these are some of the strongest products of this type available on the market.

Boosts are flavourless making it perfect to mix with your favourite e-liquids, alternatively, you can vape on its own for a concentrated, super-charged healthy hit of cannabinoids. A firm favourite on the health and fitness scene, MCT features as the diluent, meaning you get a double dose of goodness.

All our CBD vapes are THC free meaning there is no risk of any psychoactive effect. They do not contain any nicotine.

Guaranteed content - we have 3rd party independent lab reports available for your security and peace of mind.

Please check the lab report tab above.

Not to be used by or sold to anyone under the age of 18
