For baths - Use 4-6 heaped tablespoons (100g-150g = 100mg-150mg CBD) and allow to dissolve

For footbaths – Use 2-3 teaspoons (15g-22g = 15mg-22mg CBD)

CBD to Salt ratio 1:1000

Precautions

Seek advice of a healthcare professional before use if you are suffering from a medical condition, are on medical treatment, pregnant, breastfeeding or have very sensitive skin. Do not use on broken skin. Avoid contact with eyes. If irritation occurs rinse with water. If it persists, seek medical attention.

Keep out of reach of children
