## Bath Salts with Hemp - Refill Bag 1.75kg

We've introduced a 5 bag refill pack - it comes with a spare voile bag so that you can refill and reuse.

Luxuriate in a bath with our fragranced bath salts. We've blended Himalayan and Magnesium salts, and zeolite with a little bicarbonate of soda to soften skin. We've also added avocado oil extracted hemp, arnica, calendula avocado and hypericum oil to naturally soak away tension!

Just hang one of our salt bags under the tap and allow the water to dissolve the salts into your bath.
