

## PRODUCT

### DYN-W5 IP - 2 Megapixel Full HD IP66 Infrared & WDR Pro Grade Stand Alone IP Camera

Pro Grade 2 Megapixel HD IP model with IR LED illumination. This 1080p Camera has a Megapixel Varifocal 3~9mm Lens and innovative WDR plus DNR to optimise image quality under all light conditions. It will operate with normal dual voltage input or PoE for single cable connection to an NVR with PoE or a PoE Hub or Switch The IR LED's will illuminate a 25m area and Smart IR ensures that subjects are adequately illuminated. Easy fitting and set up with PoE or AC12VDC / AC24V AC plus UPnP and ONVIF IP Platform. Ideal to combine with our DVR PRO-2 Hybrid Range or as an independent model.

## DETAILS

### ADDITIONAL INFORMATION

AES	1/50~1/10,000
AGC	Auto
BLC	WDR
BLC/SSDR (WDR)	Menu Setting
Connection Cable	RJ45 + BNC + Power
DNR	3D
Dimensions	180(L) x 84(W)mm (270mm with Sunshield forward 100%)
Effective Pixel	1920 x 1080p
Gamma Correction	Yes
Horizontal Resolution	1920 x 1080p
IR Illumination	Yes
Image Sensor (CCD)	2 Megapixel Progressive Scan CMOS
Lens	f1.2 Megapixel Auto Iris Varifocal 3~9mm Varifocal.
Lens (Optical)	3~9mm
Minimum Illumination - Mono	0.03 lux @ f1.2 LED'S off
Power Consumption	5W
Power Source	POE + Dual 12V DC / AC24V
Privacy	Yes

S/N Ratio	54db +
Scanning System	PAL
Sync System	2:1 internal
Video output	1.0vp~p
Weight(Cameras)	1.3kg
Within Range of IR LEDs	0.00 lux
