

WR-AC-RMB-114 Rail mount antenna base

£37.96

DESCRIPTION

The WR-AC-RMB-114 heavy duty rail-mount antenna base has a single swivelling mount. It accepts any standard antenna with a 1" diameter standard #14 thread (such as the AX-81S antenna) and can be mounted on a railing of 7/8 to 1" diameter. Material is stainless steel 316 grade.
