## **Yaesu SP-30 Loudspeaker - matching to the ftdx10**

**£94.96**

### **DESCRIPTION**

Desktop loudspeaker SP-30, optically and electrically matching to the FT-DX10 transceiver. By radiating the loudspeaker to the front the intelligibility is improved. The front feet can be extended so that the speaker reaches the same inclination as the transceiver. Connector Cinch-socket, an approx. 80cm long connection cable is included in the delivery. Technical data: Impedance: 4 Ohm Frequency response 200 - 18000 Hz Max. Power 12 Watt Dimensions 115 x 91 x 263 mm Weight approx. 1.5 kg Weight [kg] 1.500000 Size W x H x D 115 x 91 x 263 mm Suitable for FT-DX10
