The **Toilet Frame with Seat** is a key aid in our range of highly visible and durable products we provide for the toilet and bathroom.

- Powder-coated tubular steel frame
- Height adjustable
- Chunky, non-slip feet
- Integral splash-guard

Blue and Red seats and frames may be ordered from stock Bespoke colours are available on request.

Satin or Gloss?

We recommend a satin finish (where available) for all of our bathroom products. Satin has no glare and a number of advantages of gloss;

- Glare from gloss surfaces can make a product look as though it wet, even when it is dry
- No reflections; someone with dementia or Alzheimer's may get confused or agitated if they see their own reflection

Fitting & Comfort

- Adjustable to fit around most standard toilet pans
- The frames feature detachable armrests and rubber feet to prevent slipping
- Light-weight and portable, assembling easily in just a few moments
- A highly visible aid to confidence and safety in the bathroom
