Our **Large Day/Night Flip Calendar Clock** is a highly visible clock that displays full calendar information including a day/night graphic.

- Large size (480 x 250 x 100mm); suitable for communal areas, hospitals, & care homes
- Contrasting yellow/black design ensures high visibility
- Semi-automatic calendar: Only needs manually adjusting on leap years, February 29th
- Wall mountable only (screw not included)
- Requires 2 x C batteries & 1 x AA battery (included)

The features & design of this clock make it ideal for care homes, hospitals, waiting rooms, reception areas, or even just for personal use in the home.

UK Distributor

AlzProducts are currently the **sole UK distributor** of this clock. Please contact our sales team for a quotation.

Day/Night Mechanism

- The Day/Night text & graphic changes at 7am & 7pm

These times can only be changed at the factory during manufacturing, please contact us if you require custom day/night times.

The only restriction on custom Day / Night times is that they must change at intervals of 12 hours, for example 6:30am & 6:30pm.

When will this clock need manually adjusting?

The Large Day / Night Flip Calendar Clock has a semi-automatic calendar & is **not** radio controlled, the clock will need manually changing at the following times:

- The calendar will need manually adjusting on February 29th of leap years
- The time will need adjusting twice a year for daylight savings when the clocks go both forwards & backwards 1 hour
