Our **Wood Panel Automatic Calendar Clock - Light Wood** is an attractive analogue wall clock suitable for any environment.

- Part of our best-selling Automatic Calendar Clock Range
- Panels made of solid wood sourced from sustainable forests
- Clear view acrylic glass cover
- The clock comes with a screw for easy wall-mounting

The large letters have a readability of up to 12m, perfect for people with limited sight, due to its large size it can also be used effectively in care homes or community areas.

Worldwide Patented Perpetual Calendar

- World-wide patented Automatic Calendar: Adjusting itself for all irregular days of the month and leap years
- Uses a quartz crystal & an individually tuned German Movement to ensure it displays an accurate time, with accuracy of less than 1 second per month
