The **TabTime Super 8 Daily Pill Reminder** is a best-selling pill dispenser that was designed for people with Alzheimer's or Parkinson's.

- Up to 8 daily alarms
- 8 numbered tablet compartments
- Daily alarm times are remembered for every day, but can also be easily changed

If the TabTime Super 8 Daily Pill Reminder isn't opened within 30 seconds once the alarm sounds, the audio alarm will stop to save battery power

This is a very innovative & unique feature for a daily pill reminder, and helps prevent double-dosing in people with cognitive loss or memory impairment.

Daily Alarm Audio/Visual Features

- Audio alarm when medication is due (30 seconds duration)
- Audio alarm has hi/lo volume settings (60 & 75 dB)
- Countdown timer for regular or timed interval doses (can't be used at the same time as standard alarm)

Ease-of-use Features

- Easily opened magnetic catch for individuals with weak hands
- Easy-to-access battery compartment
- 3 large control buttons to change settings & set alarms
- Large screen that displays current time

Miscellaneous Features

- Battery power indicator
- Industry standard cell-battery, long lasting power
- Replacement batteries available in most supermarkets
- Dimensions: 11 x 6 x 3cm
