Our **Picture Menu Board with Analogue Clock** comes in 4 standard colours and can also be customised to suit the need of any care home.

- Now includes 240 high-quality images (downloadable free of charge)
- Designed to help people with memory loss, cognitive loss, or impaired vision
- All boards include a header pocket and a set of cards; Breakfast, Lunch, Dinner, Tea, and Snacks
- Large size for high visibility (800 x 650mm) with hidden and secure wall fixings

Pictures are inserted into the rigid, clear, non-reflective windows so they are secure and easy to see. Simply replace them with the appropriate pictures for the next sitting.

Benefits for the Elderly

Our Picture Menu Display Board enables food choices for the next meal to be displayed perfectly and appropriately.

Clear communication of food options helps people to make a choice they will be happy with and contributes to more food being consumed and less waste and helps to improve the overall dining experience.

New Menu Board Improvements

The Picture Menu Board with Analogue Clock is a new version of our very popular pictorial menu board, the new menus have the following improvements;

- A traditional clock is incorporated to help users gauge how long it is until the meal is served
- Dry-wipe area to indicate when the next meal is served
- 240 image food cards available as a free download

The new, enhanced appearance is one of a number of our products which has been redesigned to create a family of products in more attractive colours.

Materials & Design

- Durable, fully edged, 18mm board
- Clear, rigid, non-reflective pockets (made from 1mm Axpert clear plastic) for securely displaying food images
- Non-reflective
- Anti-bacterial fascia

Menu Card Images
