Price: £10.99 incl. VAT

Date: 30/11/2021

VAT Relief Eligible: Yes (£9.16 with VAT relief)

Delivery: £3.95 incl. VAT per order

The **Geemarc Easy TV 5 Remote Control** is designed to be as large and as easy to operate as possible, featuring big markings and clear colours.

- Every button is large and easy to press and can
- Each button can be programmed to suit individual needs
- Ideal for people with reduced vision, memory loss, or impaired dexterity
- Requires 2 x AAA batteries (not included)

The Geemarc Easy TV 5 has A and B buttons that can store two profiles; which means you can use the remote control to operate 2 devices.

Recommendations

The Easy TV 5 is suited for;

- TVs with built-in Freeview / Digital channels

The Easy TV 5 may not be the ideal choice for;

- TVs with set-top boxes (especially Sky/Virgin)
- Any customer who has a lost/broken existing remote control

Our recommended remote control for TVs with STBs (especially Sky/Virgin), or for customers whose original remote is broken or lost, we highly recommend the Flipper TV Remote Control.

The Flipper has many advantages/features over other universal remote controls, such as; dual-mode (the ability to control the TV/STB at the same time without switching between modes), programming a list of favourites, proven compatibility, easy programming, and a lock function.

Programmable Buttons

The Geemarc Easy TV 5 lets you programme each individual button, including the power button;

- Power
- Mute
- Volume up
- Volume down
- Channel up
- Channel down
- Custom button A
- Custom Button B

Requirements

Please note that in order to programme the Geemarc Easy TV 5 you will need the original remote for all devices that you wish to operate with the Easy TV 5.

- 2 x AAA batteries (not included)
- A fully functional existing remote control (needed for programming)
