- Part of the POCSAG system
- Complete kit - Contains 1 xPOCSAG Pager and 1 xWaterproof Pendant
- Operating distance of up to 400m
- Waterproof to IP67 - suitable for showering and bathing (SOS pendant only)
- Ideal for medium/large care homes

The **Long Range Waterproof Pendant & Pager Kit** provides a safe reassurance to a vulnerable person allowing the individual to call for help if they have a fall or require assistance.

The kit can also allow carers the freedom to perform other duties knowing that they can be contacted in case of an emergency.

### Features of the Alarm Pendant

- Easy push button that can be fixed to either a watch strap or a lanyard (both included)
- Alert button has a 25mm diameter and a depth of 12mm, ideal for people with dexterity problems
- When pressed a message/alarm is sent to the pager, which displays "help required"
- Waterproof coating keeps alert button working even when wet
- Batteries: 1 x CR2032 coin battery (12 months use based on two calls per day)
- Low battery warning sent to the pager

### Features of the Alphanumeric Display Pager and Transmitter

- Alarm message can be personalised with a 40 character message of your choice
- Range of 400 metres
- Messages can be stored with date and time for future reference
- Alert can be set to tone or vibration
- Displays the time
- Pager powered with 1 x AAA battery (included)

### Custom Pager Messages

Custom pager messages can only be programmed by our team before dispatch.

The default pager message is "Help Required", if you require a custom pager message for multiple alarms then please contact us for further information.
