Window Boxes are an excellent interactive feature that can be used for nurturing plants, herbs, and flowers.

- Supplied flat packed and easily assembled
- Fabricated from MDF with an integral waterproof liner
- Once assembled the internal joints can be sealed with silicon to create a water-resistant Window-box ready for use with real plants
- Outer face can be painted to the desired finish
- Simple, hidden fixings make it easy to hang the Window Box under a Window Cal or any internal window

Please note: we recommend plants are grown in suitable containers that are placed in the Window-boxes.
