Our **Unbreakable Melamine Dignity Mug Lid** is the result of 4 years of research into providing independent dining for people with dementia, cognitive loss, or memory impairment.

- Part of our Unbreakable range
- Constructed from light, but hard-wearing & long lasting Melamine, dishwasher safe
- Insulating material, drink stays warmer/cooler for longer
- Lipped rim reduces spillages
- Large easy to hold comfortable handle
- Ideal for a dementia care environment

Dehydration is extremely common, & potentially harmful, in individuals with cognitive or memory loss, and having a bright coloured mug can help remind people with dementia that they have a drink.
