Kick Plates will protect any door from everyday accidental damage from trolleys, wheelchairs, and much more.

- Bottom of doors are particularly vulnerable and may give a bad impression if they are damaged and look unsightly
- Particularly effective when used in conjunction with our Door Cals and matched to the same colour

Colours & Customisation

- Kick Plates are made to order so they can either match or contrast, with the door decor, depending on customers choice
- Please contact us if you require a colour not listed on our website or if you require any other advice
- Bespoke sizes (including width) may be available on request

Installation

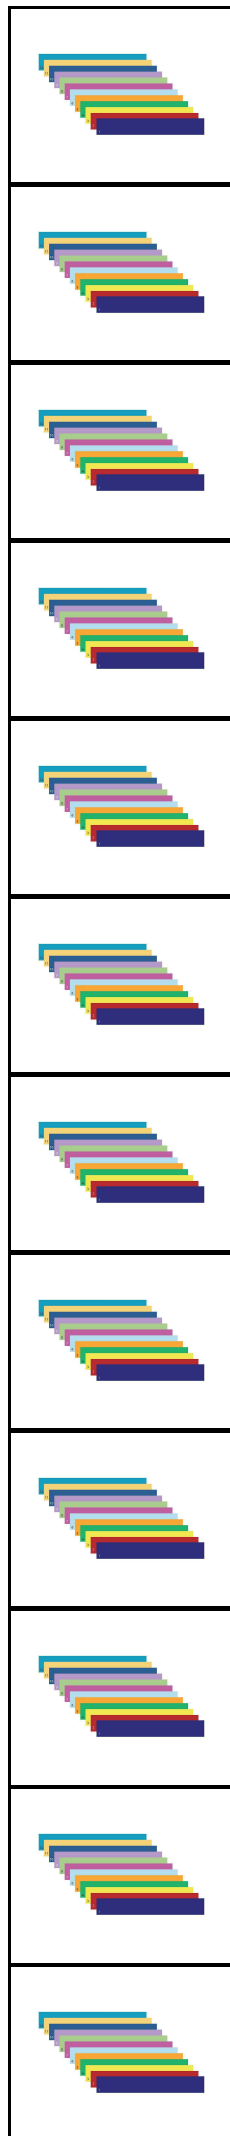

- Screw fixed or self-adhesive
