The **CPR Call Blocker Shield** is a feature rich call blocker with a modern sleek design.

- 1500 Number Blocking capacity
- 2000 Nuisance numbers pre programmed
- Blocks PPI, Accident Insurance type calls
- Blocks calls from WITHHELD, INTERNATIONAL, UNAVAILABLE, & OUT OF AREA
- Blocks calls from fake spoof Numbers including 00
- Installs in seconds and works with your existing home phone

Companies which are selling by phone, using overseas call centres and automated sales lists are all pre-programmed which will minimise the sales calls you receive almost immediately.

Block Now

Not who you expected? Press the 'Block Now' button and the Call Blocker will add the number into the unit's memory, the call will hang up and the number is blocked permanently.

This feature allows you to block up to 1500 unwanted callers.

Programmable Blocking

- Block a number by entering (#) then 2 on any DECT handset connected to the telephone base
- Manually enter or remove numbers to/from the Blocking list

Withheld Blocking Function - This will reject all calls shown as WITHHELD.

Unavailable Blocking Function - This will reject all calls shown as UNAVAILABLE.

International Blocking Function - This will reject all calls shown as INTERNATIONAL.

"0" Type Calls Blocking Function - This will reject all calls shown as multiple 0s or variations of fake numbers.

Unknown / Out of area Blocking Function - This will reject all Unknown / Out of area style internet Nuisance Callers.

Last Calling Number Blocker - This will block the last visible number.

Area Code Blocker - This will block a region or country by blocking their area code.
