- The Starter Kit is the perfect solution for a professional care setting looking to take activities to the next level
- Contains 32 products/activities to suit a large range of personalities and interests
- This kit has been designed as an accessible activities box to be dipped into at any time by visitors and care team members
- Enables anyone to initiate a spontaneous twenty-minute activity here or there, or for a longer period of time as part of a scheduled activities session
- Cost-effective; only £4 per resident, per year

We advise one pack per care home for care team members, other staff members, or friends and families to use.

This kit only costs £4 per resident, per year, based on an average 50-bed care home and assuming a two-year product lifespan.

Designed by ActiveMinds & NAPA

Our kits have been co-designed with NAPA to help you find the best selection of activity products for your home.

"Enjoying a few spontaneous moments of conversation, sharing a laugh or just looking at something with someone else usually makes us feel good. That is what we hope for when you dip into this box."

Sylvie Silver, Director, NAPA
