The **TabTime 8 Alarm Timer** is a superb device for those who don't need a pillbox, but would like helpful reminders when they need to take their medication.

- Audio buzzer alarms for 1 minute and there is also a flashing red LED as an additional visual reminder, both alarms are cancelled by pressing any button to acknowledge the alarm
- Easy to set, easy to use, 3 large buttons control all functions
- Large easy to read LCD display
- TabTimer has a magnet and other attachments on the back so you can stick it, stand it, or hang it

Alarms

- Up to 8 daily alarms at whatever times you select. Alarms times can be changed at any time and are remembered every day
- Countdown timer for regular reminders i.e every 1.15, 2.45, 3.40 hours
