Delivery: £3.95 incl. VAT per order

The **DoorWatcher™ - Wristband Activated Anti-Walking Alarm System** is designed to allow a person(s) with dementia or Alzheimer's more freedom and independence while in care.

- Part of our DoorWatcher™ range
- Alerts care staff if the resident(s) approach a monitored door (internal or external), corridor, or other hazardous areas
- System designed to only monitor residents at risk
- Comprises of a DoorWatcher strip with reset magnet, wristband monitor, and pager
- Detects residents that pass the DoorWatcher by responding to low-level signals continually transmitted by the wristbands

How does the alarm work?

1. An individual wearing a wristband walks through a door monitored by the DoorWatcher
2. The alarm sounds on the DoorWatcher strip and nearby staff are alerted
3. *Optional: A pager or wireless nurse station can also be notified of the alarm (sold separately)*
4. The alarm is reset by pushing the reset magnet (included) against the DoorWatcher strip

1) DoorWatcher Strip

- Kit includes 1 DoorWatcher Strip
- Built-in sound alarm with volume control
- Transmitter that signals the nurse call centre monitor or pager
- Zone detection setting
- Installation quick and easy and requires no wiring or professional help
- Self-adhesive pads (included) secure the door strip monitor to the door frame or wall

How many DoorWatcher strips are required?

Single doorways: 1 x DoorWatcher is usually adequate

Double doorways: 2 x DoorWatcher strips are recommended (one on each side)

2) Wristband(s)

- Kit includes 1 wristband
- Lightweight and comfortable to wear
- Powered by sealed in lithium batteries, providing a continuous service life of 12-24 months
- Secure power on/off setting
- Alarm transmission if unauthorised removal occurs
- Unlimited numbers of wristbands can be used with door strip monitors to allow all exit doors to be protected
- Unique RF ID
- Programmable SOS call button option (default set to off, contact us)
- Additional wristbands can be purchased and added to your system
- Water resistant but not waterproof

3) LCD Pager

- Powered by 1 x AAA battery (included)

Contents

- 1 x DoorWatcher - Strip Monitor
- 1 x DoorWatcher - Resident wristband
- 1 x LCD Pager
