- Part of our MPPL System
- Simple to install floor pressure mat that's suitable for use on tiles or carpet
- Non-slip heavy duty design allows mat to be placed directly onto floor without being covered by a rug or carpet
- Can be used as a doormat with its hard wearing carpet effect top
- Large size of 48 x 24 inches with long range of 200m

Important: Pager Required

Please be aware, the Heavy Duty Non-Slip Floor Mat with Transmitter cannot function without a MPPL Pager. If you do not have a pager then we would recommend our preconfigured MPPL Kits.

If you already own one of our Pagers then this transmitter can be purchased separately and added to your current system.

Please contact us if you need advice on how to add an additional transmitter to your system.
