The **Jigsaw Puzzle 63 Piece City Dusk** are a fantastic resource for people in early stages of dementia or Alzheimer's.

The number of pieces and age-appropriate image makes this jigsaw challenging but much more achievable than traditional jigsaws. All our puzzles are made from plastic making them easy to clean and very durable, suitable for use at home as well as in a hospital or care home.

Once the puzzle is complete the image and prompt questions can be used to spark interesting conversations and memories.

Questions to ask

- What does this picture remind you of?
- Tell me about a memorable bridge for you...
- What is your favourite thing to do in the city?
- Where do you like to go for your holidays?

City Dusk

City Dusk is a popular choice from our 63 piece jigsaw range. The image by Richard Harpum captures Tower Bridge after a snowfall and against the warm backdrop of a sunset.
