Our **Rainy Days Bundle - Sensory Scene** is a great activity for those relaxing in their room and especially for those near the end of their life.

- Play the soundscape then spray the room spray for a unique activity designed to calm and reassure
- Sensory engagement is an increasingly recognized area of dementia care and can be an excellent way to relax and encourage communication
- Sensory Sprays have been created with people living with dementia and are a fantastic way of setting a relaxing environment

About This Sensory CD

The sounds of rain while you are curled up inside can be very comforting for anyone. Active Minds have created a rainy soundscape for people living with dementia. This is a great resource to facilitate communication, relaxation and reminiscence.

Try creating a multi-sensory experience by combining with the Rainy Days Room Spray.
