The **Aquapaint Pack** contains five of our Aquapaint™ products - a great way to save on the range!

The Aquapaint Pack also provides an equal number of interesting subjects for both females and males - everything from 'At Home' to 'At the Seaside'. Each Aquapaint™ sheets are reusable which makes this a great value pack.

- Reusable painting activity
- Designed for people with dementia or cognitive loss
- 5 images per set that have been specifically chosen to promote conversation

*Please note: paint brush not included*

How it works

Each set comes with five different images that have been carefully selected to help start a conversation when the painting is complete - simply paint water onto the sheets and watch the image appear.

As the water dries the image will fade, ready to be used again.
