Golf Target is an exciting activity for people with dementia which can be played individually or in groups.

- Encourages physical activity
- Bags are lightweight and easy to throw, even for people with dexterity and mobility difficulties
- A fun game for individuals or in groups
- Each set comes with 3 target mats and 4 throw bags

Golf Target by Active Minds is a great way to bring people together and to encourage physical activity.

How It Works

Spread the target mats out on the floor and take it in turns to throw the bags as close to the hole as you can.

The closer the bag lands to the hole the more points are awarded, the winner is the person with the most number of points at the end of the game.
