The **Star Projector Cube with Soothing Sounds** helps to soothe restlessness to allow you to get to sleep.

The ever-changing light show projects a nighttime sky scene on to the ceiling. This helps to relieve stress and the lullaby and nature sounds offer relief from the effects of tinnitus and insomnia.

Features

- Operated using push buttons to choose between sound, light or both
- Projects a night sky scene onto your ceiling
- Automatic turn off feature allows you to drift off to sleep without the worry of having to get out of bed to turn it off
- Soothes restlessness and offers relief from insomnia and tinnitus
- Features a mixture of lullaby and nature sounds
- Ever-changing light show helps to relieve stress and is especially helpful for those who need help to relax
- Optional adapter is available (sold separately)

Options & Settings

- Select your favourite sound or use shuffle mode
- Options of sound only, light only, or both
- Sound will automatically turn off after 30 minutes
- Volume control
