- Radio controlled time (easy set-up, automatically updates for summer/winter changes)
- Attractive photo frame design
- 3 display modes to suit users needs

This unique product is to display a picture of someone that you want to help your loved one remember. The combination with the day clock screen will also give invaluable assistance to understand what the time of day is.

Display Format Options

1. Day period (Monday morning, Monday afternoon, Monday evening)
2. Time & Day
3. Time, Day & Date
4. Alternates the screen between the 3 formats above (you can specify how long the clock stays on each display before changing to the next)

Radio Controlled Time

- Time controlled by radio accuracy
- Automatically updates for summer/winter time

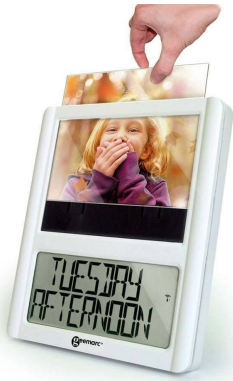

Clear & Simple Display

- 12 or 24 hour time option (12 hour display has AM/PM format)
- All words are shown in their unabbreviated format for easy comprehension (Monday instead of Mon)
- Display dimensions: 205 x 190 x 20mm

Other Features

- Desk or wall mountable
- Battery powered for added flexibility of use
- Requires 2 x AAA batteries (not included)
- 5 languages available; English, French, German, Italian, Spanish
