This **VISO 50 Analogue Clock with Digital Display** is a unique product displays a large clear analogue clock above the time of day. Which together provide invaluable assistance in understanding what the time of day is.

- Radio controlled time (easy set-up, automatically updates for summer/winter changes)
- 3 display modes to suit users needs
- Desk or wall mountable
- Battery powered for added flexibility of use
- Requires 3 x AA batteries (not included)

Digital Display Format Options

The Viso 50 has the choice of three different digital display options, or alternatively, you can alternate between the three screens every 5 to 60 seconds with the adjustable timer.

1. Day of the week / Part of the day (e.g Friday Afternoon)
2. Day of the week / Hour
3. Month / Day of the week (in digit format) / Year (e.g March 13, 2018)
4. Alternates the screen between the 3 formats above (you can specify how long the clock stays on each display before changing to the next)

Radio Controlled Time

- Time controlled by radio accuracy
- Automatically updates for summer/winter time

Clear & Simple Display

- 12 or 24 hour time option (12 hour display has AM/PM format)
- All words are shown in their unabbreviated format for easy comprehension (Monday instead of Mon)
- Display dimensions: 205 x 190 x 20mm
