**Scentscape - At Home** has been designed for people with cognitive loss and is a multi-sensory activity for people in mid to late stage dementia.

- Play the CD (included) whilst smelling the scents for a unique activity designed to evoke memories
- Each Scentscape comes with three scents, three smelling jars, and a 30 minute CD with themed sounds
- The CD includes sounds relevant to the Scentscape and is also split into 3 sections, which relate to the three scents included
- Infection control compliant

The Scentscape is an innovative and unique sensory product that can be used by individuals, or as a group exercise.

### At Home

This Scentscape® pack has been designed to stimulate everyday memories to help support the experience of being in the home;

- Baby powder
- Clean linen
- Freshly baked fruit cake

These scents combine with beautifully crafted sounds reminiscent of a busy and happy household to help someone relax and feel...At Home!

### How Scentscapes Work

Scentscapes were designed to offer somebody both sound and scents of various popular experiences.

Our research showed these to be powerful tools to help transport people to a time or place, stimulating memories and conversation and helping to access memories that would otherwise have been difficult to reach.

### Contents

- 3 x scents
- 3 x smelling jars
- 1 x 30 minute CD
