The **Personal Alarm & GPS Tracker** allows the user to monitor a person's location along with many other features.

- Roaming SIM card included with tracker
- Two-way voice calls
- SOS button to send a notification to relatives/carers in an emergency
- Smartphone app and live tracking platform
- £14.99 per month, includes all SIM activity and app usage

Monthly Subscription

- The GPS tracker requires a £14.99 monthly subscription
- The charge covers all SIM card usage and the use of the smartphone app
- This means the maximum you will have to pay for using the device is £14.99 per month, without any data/call limits

Roaming SIM Card Included

- SIM can connect to all EU phone networks and switches between networks to maintain the optimal signal at all times
- Massively increases signal strength and reduces the chance of signal problems

How to track the GPS alarm

- The GPS device can be tracked using the smartphone app
- Set alerts on the app for when the GPS tracker enters/exists an area

Battery

- Battery Life: 48 hours
- Easy to use docking station recharges the battery
- Battery type: 3.7V 800mAh
- Charging voltage: 5V DC

Low Battery Alert:

- The blue light will also flash rapidly to warn the user to charge the device as soon as possible
- The low battery alert feature can be turned off if not needed
- Low battery notification is sent to the app

GEO Fence Alarm

- Geo-Fences (sometimes called safe zones) are virtual areas that can be set and monitored,
- App notifications are sent if the GPS tracker moves into or out of the area
- The most common use is to set a geofence around the person's home

- Unlimited number of geo fence alarms can be set for the GPS locator
- A geofence area can be from 100m to several kilometres

App Users

- Up to 5 carers or family members can download the app on the same account and receive notifications and alerts

Other Features

- Clips onto a keyring or lanyard
- SOS button
- Two-way calls
- Password protect settings
- Over speed alert (send an alert if GPS tracker is moving quicker than the speed set)
