Make getting in and out of your bath safe and simple with these instant fix **Stick 'n' Stay Mobility Handles**. The laboratory tested suction action means they will stick to any smooth tiled, enamel or fibreglass surface. Simply place at the desired height and press down the two pressure levers to activate the suction power. To remove the handles simply flip the levers to the up position. Their special safety indicator shows GREEN when the handle is securely fixed and RED when the handle needs to be repositioned. Portable too, so you can take them away on holiday or when visiting friends or family.

Features

- Powerful suction action
- Very strong with great build quality
