The ideal solution for live-in carers or Mum and Dad at home, this wireless **Friends and Family: Home Safety Alert** paging system has two pendants covering a 60 metre range.

The large call button activates the main alarm unit with a distinct alarm tone, so the carer can tell who is calling. The compact receiver can be battery or mains operated, for use in any location, and has a quick reset button to cancel the alarm.

A choice of 3 volume levels is available on the main unit, which also features a low battery indicator

Features

- Main unit receives and recognises who is calling and from different sound and coloured light signals
- Option of 3 volume levels
- Main unit can be battery or mains operated for use in any location
- Quick reset button on main unit to cancel the call or alarm
- Low battery warning signal
- Each transmitter uses 1 x 23A 12v battery (included)
- The receiver unit is powered by a 6v adaptor (not included) or 4 x AA batteries (not included).
