The **PhotoPhone 450 Phone with Photo ID & Flashing Buttons** has many features that make it ideal for individuals with poor eyesight, hearing loss, or with impaired memory.

- 6 Photo buttons that flash with incoming calls
- Large and easy-to-push keypad
- Handsfree speakerphone
- Adjustable volume (ring and receiver) and a visual ringer indicator
- Geemarc ClearSound noise equaliser technology ensures crystal clear audio

Easily upload, create, and print your photos

Geemarc provides a unique PhotoPhone 450 Photo Button template for creating photo buttons for use with their PhotoPhone 450.

- Upload your own images with the ability to zoom (for example, to focus on the person's face)
- Write text names if no images are available
- Reprint icons included with telephone
- Prints all selected images onto a single A4 piece of paper in the perfect size
