### Build and Feed

Bring nature to you with our build and feed birdfeeder. Building the feeder can give a great sense of accomplishment while the hours spend watching the visiting birds promotes relaxation and enjoyment.

### How It Works

This kit contains four wooden seed sticks and Perches. Simply cover the seed stick in a something sticky such as peanut butter and then roll it in bird seeds. Next stick in the perch and find a place in the garden to hang up the feeder. finally, wait and watch.

Our Bird Book contains 10 beautiful illustrations to support birdwatching in the garden or out on a walk. How many birds can you spot and identify?

The bird feeder is reusable, just wash with warm water and reapply a new layer of bird seeds.
