Price: £199.99 incl. VAT

Date: 19/10/2021

VAT Relief Eligible: Yes (£166.66 with VAT relief)

Delivery: £3.95 incl. VAT per order

The **CPR Guardian II GPS Tracking Watch** is designed to keep the wearer safe, independent and active at all times.

- Built-in emergency assist button, a heart rate monitor, mobile phone and GPS tracking
- Tracking and settings controlled via a free smartphone app that can be installed on multiple devices
- Call the wearer from the app, track current location, add contacts, and much more
- Waterproof - protected from brief immersions in water
- Up to 10 users can install the app on their smartphones and monitor the watch remotely

The Guardian II provides you and your loved ones with peace of mind and reassurance knowing you can always be there for them whenever they need you.

Multiple Users

- Up to 10 users can install the app on their smartphone to monitor the watch remotely
- The first user is the admin user and can add/remove additional users
- Ideal if multiple carers/family members want access to the watch information

Tracking

- Track the wearer's GPS location at any time via the free smartphone app
- View their daily walking activity
- Smart tracking - uses GPS, LBS, and WiFi connections
- Unlimited tracking on £9.99 SIM plan

SIM Card - Preinstalled Roaming SIM Included

General SIM Information

- The CPR Guardian II will arrive complete with a pre-installed Chameleon SIM(*see next section for details*)
- £3.00 free credit included with SIM card, this allows you to try out the SIM and watch and make sure you're happy with how it functions before deciding how to top-up your SIM moving forwards
- When you receive the watch there will be a link provided to the SIM website where you can activate the SIM
- Your own SIM can be used but is not recommended due to the signal strength benefits of the chameleon SIM (see below)

SIM Card Signal Benefits

- SIM can connect to all EU phone networks and switches between networks to maintain the optimal signal at all times
- Massively increases signal strength and reduces the chance of signal problems

SIM Plan Option 1 - PAYG (Pay As You Go)

- SIM card comes with £3.00 credit on a pay as you go plan
- You can keep this plan and top-up the credit as required

- Top-up can be completed online (instructions included with watch)

SIM Plan Option 2 - Unlimited Monthly Plan

- This unlimited SIM plan costs £9.99 per Month
- The charge covers all SIM card usage and the use of the smartphone app

Calls & SOS Assist

- Make & receive phone calls for up to 30 contacts
- Unlimited phone calls on £9.99 SIM plan
- Emergency assist SOS button - automatically calls pre-set contacts and updates GPS location
- Wearer presses and holds the red SOS button to activate

Geo-Zones

- Geo-Zones allow the app user to receive alerts every time the wearer enters or leaves an area
- The most common use is to set a geofence around the person's home

Battery & Charging

- Easy magnetic charging
- **Estimated battery life on full charge of over 48 hours**
- Low battery notifications to both the wearer and App administrators

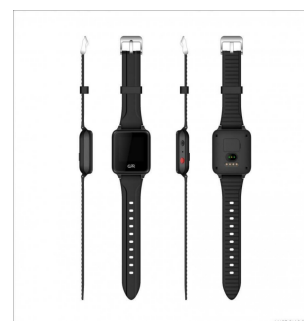

Waterproof

- IP67 waterproof
- Classified as "Protected from immersion in water with a depth of up to 1 meter for up to 30 mins"

Other Features

- Wireless updates, the Guardian II will always stay up to date with the latest software
- Built-in heart rate monitor that alerts the app if the upper or lower limit is reached
