The **Companion Pet Silver with White Mitts Cat by Joy For All** looks feels and sounds like a real cat but they're so much more than soft fur, soothing purrs and pleasant meows.

- Built-in sensors respond to motion and touch
- Realistic, soft fur looks and feels like a real cat
- Cat-like movements and sounds
- VibraPurr™ sounds and feels like real purring
- 4 x C alkaline batteries (included)

These cats respond to petting, hugging and motion much like the real ones you know and love but don't require any special care or feeding. This personally rich experience can bring joy and comfort to ageing loved ones without any vet bills to worry about.

Movement & Built-In Sensors

- Using the built in sensors, our companion pet cat responds to motion and touch such as Petting and hugging, much like the real Cats you know and love
- Cat-like movements & sounds: our revolutionary vibrapurr technology gives the cat an authentic purr that sounds and feels just like real purring
- Our companion pet cat is able to open and close its eyes, lift its paw, open its mouth and move its head and body
- Also has synthetic, soft, brushable fur inspired by real feline breeds

Award Winning

- Joy For All companion pets won the Caregiver Friendly Award from Today's Caregiver two years in 2016 and 2017
- Appeared in the new York times, people magazine and the Baltimore sun
- Also featured on on CBS and the doctors and on BBC radio
